HISTORY

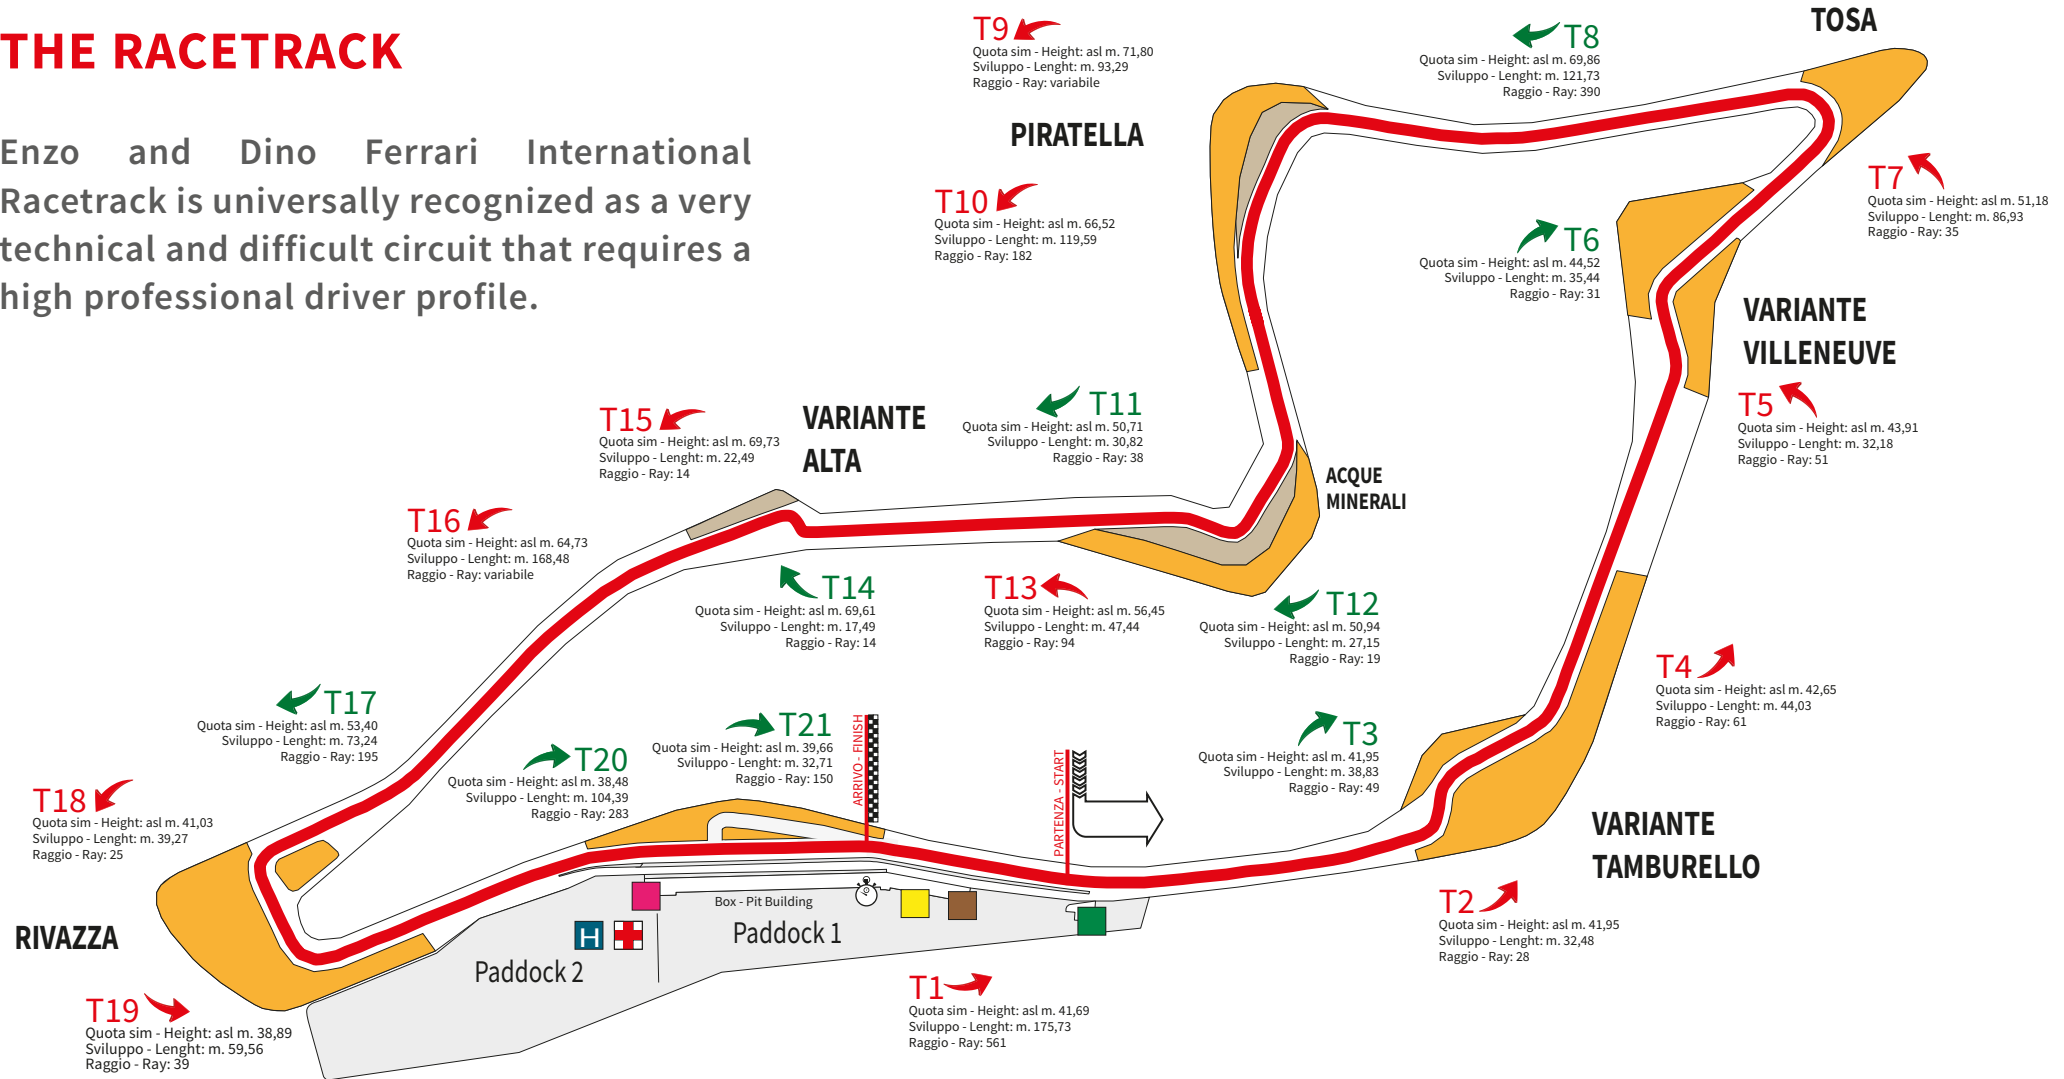

The Enzo and Dino Ferrari International Circuit in Imola is known throughout the world for its motorsport history.

Designed by Checco Costa, and officially inaugurated in 1953, since then it has been home to the most important international car and motorcycle races such as Formula 1, European Le Mans Series, 200 Miglia, MotoGP World Championship and World SBK Superbike.

The Imola racetrack has also hosted major musical events such as the Heineken Jammin Festival, the Sonisphere Festival, the AC / DC and Guns n'Roses concert, as well as international reference events such as the Imola Mostra Scambio Exhibition, organized by CRAME, the traditional meeting for all people who love to barter vintage cars, motorcycles, bicycles, accessories, and spareparts.

THE RACETRACK

Enzo and Dino Ferrari International Racetrack is universally recognized as a very technical and difficult circuit that requires a high professional driver profile.
