Re: FIA Three-Star Environmental Accreditation – Autodromo Internazionale Enzo e Dino Ferrari

Dear Mr. Benvenuti,

We are pleased to confirm that following the fast-track audit conducted by the FIA Environmental Accreditation Auditor on February 21st 2022, **Autodromo Internazionale Enzo e Dino Ferrari** has obtained the Three-Star level in the FIA Environmental Accreditation Framework.

By obtaining the ISO 20121 certification, the Autodromo Internazionale Enzo e Dino Ferrari is demonstrating strong commitment and leadership by becoming one of the few circuits in Europe to have obtained this relatively recent certification.

We have attached a brief audit report that summarises the auditor's comments and provides some recommendations for improvement which should be addressed during the period leading to the next renewal audit.

We look forward to continued collaboration in regard to supporting your organization achieve its environmental objectives.

Yours sincerely,
