

Pietro Benvenuti, Director Autodrome of Imola - Autodromo Internazionale Enzo e Dino Ferrari, Piazza Ayrton Senna da Silva, 1, 40026 Imola BO, Italy

11 April 2021

**Re: FIA One-Star Environmental Accreditation – Autodromo Internazionale Enzo e Dino Ferrari**

Dear Mr. Benvenuti,

We are pleased to confirm that following the remote audit conducted by the FIA Environmental Accreditation auditor on April 11<sup>th</sup>, 2021, **Autodromo Internazionale Enzo e Dino Ferrari** has obtained the One-Star level in the FIA Environmental Accreditation Programme.

Through an extensive list of supportive documents, the circuit has demonstrated a good overall commitment and awareness towards addressing environmental issues. In addition, the willingness from the organiser to start a Two-Star FIA Environmental Accreditation process shortly after the event indicates a high level of engagement towards improved performance.

We would like to congratulate you on being the fourth F1 circuit to achieve the FIA Environmental Accreditation and we will continue to encourage all others to join this collective effort.

We have attached an audit report that summarizes the auditor's comments and provides some recommendations for further improvement.

We look forward to continued collaboration regarding supporting your organization achieving its environmental objectives.

Yours sincerely,

**Graham Stoker**  
FIA Deputy President for Sport

**Felipe Calderón**  
FIA Environment & Sustainability  
Commission President

**Garry Connelly AM**  
FIA Environmental Delegate
